

West Valley Recycles!

Recycling Right!

Recycling contamination has been an ongoing issue in the recycling industry for years. As a reminder: items such as food, yard waste, and construction materials do not belong in the recycling cart and cannot be processed as recyclables.

WVC&R encourages customers to reach out to us if they are not sure if specific items are recyclable or non-recyclable.

Please visit our website www.westvalleyrecycles.com. Under the recyclables tab for Single Family Services, you will find which items of metal, glass, paper, film plastics, plastics, and certain electronics we accept inside your blue recycling cart. Also, feel free to contact our outreach department with any questions, **(408) 283-9250**

ext. 41526. You can help reduce contamination by recycling right.

Together, we can set the standard when it comes to recycling correctly.

Never miss your garbage or recycling day again! Use our new **on-line tool** to view your collection schedule, sign up for collection day reminders, and get garbage and recycling sorting tips. Visit www.westvalleyrecycles.com

Remember:
solid waste collection rate changes
were effective on July 1, 2019.

West Valley Recycles!

Summer is here and so are those PESKY Bugs!

Find out what you can do to help keep bugs at bay, and protect local waterways!

Did you know that when pesticides are sprayed on your lawn or garden, water from rain or over watering can wash these chemicals directly into the storm drains and into local waterways? Unlike sanitary sewer systems, the water in storm drains is not treated before it reaches our local creeks and the San Francisco Bay. While pesticides are designed to be toxic to certain organisms, they can often kill other species in the marine systems that are important for the entire ecosystem. You can help reduce pesticide pollution:

- Purchase beneficial insects such as ladybugs to eat up destructive pests like aphids on your plants.
- Grow native plants which have natural defenses to ward off insect pests and diseases.
- Don't apply pesticides if it is windy, when rain is predicted, or prior to watering your lawn or garden.
- Avoid applying pesticides to sidewalks, driveways, and other hard surfaces.
- For more information please visit our website at www.cleancreeks.org.

Saratoga Classic & Cool Car Show 10th Anniversary

This year the event is set for **Sunday, July 28th, from 10:00 AM to 4:00 PM.**

You can expect 300 colorful, classic, and cool cars to gather in the beautiful Historic Saratoga Village along Big Basin Way. Live classic rock by Chubby's All-Stars will set the mood for this year's show. We will have "free" shuttles picking up attendees from West Valley College.

SARATOGA'S CAR SHOW WEEK ACTIVITIES: (Everyone is Invited!)

There is a week-long list of fun activities leading up to the show.

- 1. Saturday, July 20th, SCCShow's Official Kick-Off Party**
- 2. Tuesday, July 23rd, SCCShow Revin' Up – Car Show Week Event #1**
- 3. Thursday, July 25th, SCCShow Fuel Up – Car Show Week Event #2**
- 4. Saturday, July 27th, SCCShow Tri-City Annual Cruise**

For more information about the car show, register your car or purchase tickets for the Kick-Off party, go to www.sccshow.com

Choose the method that works best for you.
