Beginning January 6th, 2025, and continuing through the last week of February, customers can recycle their holiday trees curbside. Please follow the guidelines below:

-  Cut trees into **6-foot** lengths
-  Place trees at least **1 foot away** from your containers
-  Remove tree stands, tinsel and decorations to ensure your tree is recycled

**Did you know?** Fake snow, or "flocking," is plastic. Flocked and decorated trees will be collected and sent to the landfill.

Recycling your tree reduces waste and creates useful products like mulch, wood chips, and compost.
